Nestled in the pines of Cedar Glen, this charming 2-bedroom, 1-bath A-frame gambrel cabin has been thoughtfully renovated from top to bottom - 816 square feet of move-in ready mountain living with a fresh, modern feel. Tucked along a private access road for added seclusion, you're still just 8 minutes from the shops, dining, and lakeside charm of Lake Arrowhead Village. Step inside to find new LVP flooring throughout, a light-filled living room with exposed wood beams, a stone fireplace, and an antler light fixture that perfectly sets the mountain tone. The brand new kitchen features white shaker cabinets, a tile backsplash, and a sliding glass door that opens directly onto your new deck - with treetop views that never get old. Major systems have all been addressed: updated plumbing, electrical and lighting, replaced windows, and a completely new bathroom. Whether you're searching for a full-time residence, a weekend mountain escape, or a vacation rental investment, this cabin is truly ready to go.
